

Air Permeability Tester, Atmospheric Beaker Dyeing Machine, Automatic Tensile Strength Machine, Automatic Tensile Testing Machine, Baby Box Compression Tester, Bacteriological Incubator, Baer Sorter, Base Clearance Membrane, Beasley Balance, Bottle Brust Strength Tester, Bottle Cap Torque Tester, Bottle Perpendicularity Tester, Box Compression Strength Tester, Bundesmann Apparatus, Bursting Strength Checking Machine, etc.

TWIST TESTER MOTORISED

MANUAL WRAP REEL

MANUAL TWIST TESTER

About Us

On account of innovation in structural design & technological advancements in Testing & Measuring Equipment, this instrument segment has become indispensable technology for almost every industry. We, Texcare Instruments Limited are dedicatedly meeting the requirements of these instruments through a substantial range of Tensile Testing Machine, Digital Tensile Testing Machine, Bond Strength Tester, Plastic Strength Tester, Yarn Testing Equipment, Fabric Testing Equipment, Lab Dyeing Machines,

When it comes to digital tensile strength tester & Bursting Strength Tester, then TEXCARE is the only brand to trust. We are an exporter, manufacturer, supplier of "TEXCARE" Tensile Strength Tester, Bursting Strength Tester, Colour Matching Cabinet, High Temperature Oven and other testing equipment apart from color fastness equipment and lab dyeing equipment. Our tensile strength tester has an aluminium alloy load frame, Universal Testing Machine, small footprint design, very high overload capability of load cells, and completely digital testing system. Its not one attribute, but many features that make our products best in the market.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	tensile strength tester,tensile tester,digital tensile tester,digital tensile strength tester,hydraulic tensile tester,analogue tensile testing machine,digital tensile testing machine,computerized tensile testing machine,computerized universal testing machine,tensile testing services
No of Staff	25
Year of Establishment	2010
OEM Service Provided	No
Memberships	Textile Association of India
ProductRange	tensile strength tester,tensile tester,digital tensile tester,digital tensile strength tester,hydraulic tensile tester,analogue tensile testing machine,digital tensile testing machine,computerized tensile testing machine,computerized universal testing machine,tensile testing services

Our Products

Wrap Reel

Yarn Appearance Board Winder

Wrap Reel Motorised

Lea Strength Tester

Yarn Strength Tester

Single Yarn Strength Tester

Cheese Collapse Tester

Textile Moisture Meter

Baer Sorter

Projection Microscope

Package Hardness Tester

Splice Strength Tester

Yarn Tension Meter

Trash Analyzer

Microprocessor Based Twist Tester

Trash Analyser

ADDRESS

I-84, Road No. 19, UPSIDA Site-C,
Surajpur Industrial Area, Greater
Noida, Uttar Pradesh, India
(201306).
