About Us

Keta Hydraulic is dedicated to delivering advanced hydraulic solutions that support smooth industrial operations and long-term performance efficiency. As a manufacturer, supplier, and trader, we focus on building dependable relationships with industries by offering precision-engineered products designed to meet evolving operational demands. The range includes hydraulic pump, hydraulic directional control valve, casappa gear pump, oil pump, and industrial valves that are widely appreciated for their reliable performance, seamless fluid handling, and durable construction. Every solution is developed to ensure stable functionality, accurate pressure control, and energy-efficient operations for various industrial applications.

Strong emphasis is placed on maintaining product quality, operational consistency, and customer-focused service standards. Backed by a skilled workforce and modern industry understanding, we strive to provide solutions that simplify hydraulic operations while ensuring dependable industrial support. Corrosion-resistant finish, low maintenance requirements, and precision-controlled functionality make the offered products suitable for demanding environments where operational stability matters the most. Continuous improvement and technical excellence remain central to every process, allowing us to respond effectively to changing industrial needs.

Key Facts

No of Staff	10
Year of Establishment	2026
OEM Service Provided	No

Our Products

20 LPM Hydraulic Directional Control

80 LPM Hydraulic Directional Control

40 LPM Hydraulic Directional Control

Monoblock Control Valve

60 LPM Hydraulic Directional Control

Variable Displacement Hydraulic Piston

180 Bar Casappa Gear Pump

Permco Hydraulic Gear Pumps

Casappa FP30.90D0-33S3LGG Hydraulic

Parker Cat424b Hydraulic Pump

Rexroth Hydraulic Pump

Tokimec Hydraulic Pump

200 Bar Casappa Gear Pump

350 Bar Hydraulic Pump

Casappa KP30.51D0-33S3-LGG GF-N-CSC

Parker Hydraulic Gear Pump
