About Us

Established in 2023, Inlup Technologies Pvt Ltd is a trusted manufacturer and supplier based in Gandhinagar, Gujarat, India, delivering dependable barcode and labeling solutions to businesses across diverse industries. We specialize in providing premium quality Barcode Ribbon, Barcode Printer, Barcode Scanner, Color Patch Label, Thermal Transfer Ribbon, and an extensive range of identification and labeling products designed for Food, Pharma, Nutraceuticals, Cosmetic and many more industries. Our commitment is centered on quality, innovation, and customer satisfaction. Every product is selected and delivered with a focus on durability, precision, and consistent performance to meet the evolving demands of manufacturing, logistics, retail, healthcare, warehousing, and distribution sectors. Backed by a dedicated team and a customer first approach, we strive to understand unique business requirements and provide practical solutions that enhance productivity while minimizing operational challenges.

By maintaining high standards in product quality and service excellence, we have steadily built a reputation as a dependable business partner. We believe in creating long term relationships through transparent business practices, timely deliveries, competitive pricing, and responsive customer support. As we continue to grow, our objective remains to offer reliable barcode and labeling technologies that help organizations streamline processes, improve inventory management, and strengthen product identification with confidence.
