

SMPS TRANSFORMER

Copper Drum Coil Inductor, Copper High Frequency Current Transformer, Copper Power Inductor, Copper Toroidal Line Filter, Dry Type SMPS Transformers, Electronics SMPS Transformer, Ferrite Core SMPS Transformer, Flyback Battery Charger Transformer, etc.

THREE PHASE SMPS TRANSFORMER

**HIGH FREQUENCY SMPS
TRANSFORMER**

**TELECOMMUNICATION SMPS
TRANSFORMER**

About Us

Wirewound Electronics is a name to be relied on when it comes to meeting demands for well-engineered Magnetic Power Inductors, High Frequency Current Transformers, High Frequency SMPS Transformers, Toroidal Core Inductors, and other similar products. As a widely popular name in the market, our company effectively serves the business role of a manufacturer and supplier. The products are noted for their unrivaled quality, whereas we are repeatedly chosen for our fair business dealings and proven track record of 100% customer satisfaction.

For the last two decades, we, Wirewound Electronics, have been the number one choice of customers to avail of Toroidal Core Inductors, High Frequency SMPS Transformers, High Frequency Current Transformers, Magnetic Power Inductors, and other products. Manufactured with perfection, all our products are worth purchasing. Each product represents high durability, reliability, and fluency in performance. Being a customer-centric organization, we make sure the products are designed exactly as per the specifications suggested by the patrons and are available to them at pocket-friendly rates. We are popular as a dependable manufacturer and supplier from Pune (Maharashtra, India).

Key Facts

No of Staff	15
Year of Establishment	1998
OEM Service Provided	No
Monthly Production Capacity	1000

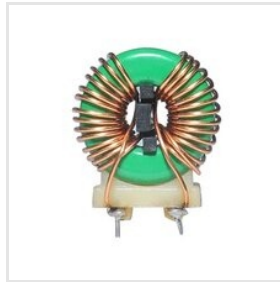

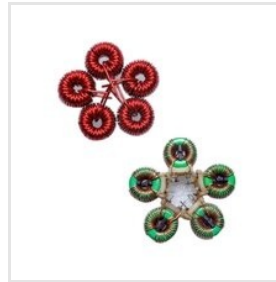

Our Products

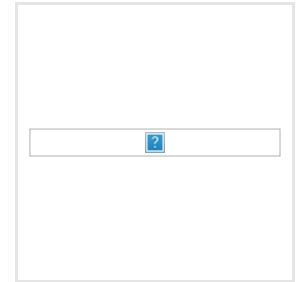

Copper Drum Coil Inductor

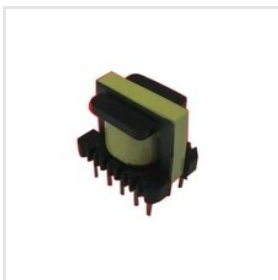

Copper Toroidal Line Filter

Pure Copper Toroidal Line Filter

UU Common Mode Choke

Electronics SMPS Transformer

Copper High Frequency Current

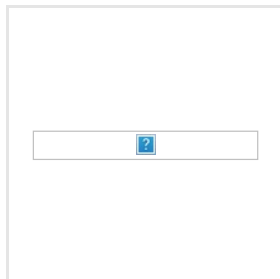

Single Phase LAN Transformer

Medical Equipment SMPS Transformer

PCB Transformer

Toroidal Core Inductor

Copper Power Inductor

Magnetic Power Inductor

Dry Type SMPS Transformers

Ferrite Core SMPS Transformer

SMD Power Inductor

Flyback Battery Charger Transformer
