About Us

In the fast-evolving world of machining and engineering, having the right cutting tools makes all the difference. At National Trading Corporation, we play a pivotal role in bridging the gap between industries and advanced tooling solutions. Based in Mumbai, Maharashtra, we operate as a reliable wholesaler, trader, and supplier of premium carbide tools and inserts, empowering businesses with products that deliver precision, performance, and consistency.

Our strength lies in providing tailor-made solutions that meet the exact needs of industries ranging from automotive and aerospace to heavy engineering and manufacturing. Every tool we offer is carefully chosen for its durability, accuracy, and efficiency, ensuring our clients achieve the highest standards of output in their operations.

Our offerings cover an extensive selection of metal cutting tools. Our product range includes Solid Carbide Drills, Tungsten Carbide Insert, Turning Inserts CNMG, Xcut Threading Inserts and Parting Grooving Insert. Each product we provide is trusted for its quality and performance, helping our clients reduce downtime, improve efficiency, and optimize costs.
