Unlock High-Earning Opportunities with Our Proven US B2B Lead Generation Campaign!

Join BPO CONSULTANCY SERVICES's Long-Term, High-Reward Campaign—Now Recruiting Experienced Partners

Are you ready to elevate your B2B lead generation business with a campaign that delivers ongoing revenue and unmatched support? Deep Blue Marketing invites you to join our success-driven US B2B lead generation program—an established, high-performance campaign with a track record of years in operation.

What You Need?

Proven experience in US B2B lead generation campaigns (past performance required).

Your own B2B calling data.

A dialer and VoIP provider for outbound calls.

What you get?

Attractive Compensation: Earn \$20 USD per valid lead plus two recurring payments of \$20 USD for every qualified conversion, a total of \$60 USD. Enjoy a lucrative per-sale commission structure and prompt Net 15 payments!

No Limits: Dial any US state—no daily cap, no territory restrictions. The more you close, the more you earn!

Long-Term Partnership: We're seeking reliable companies and teams for a lasting relationship. Start with a minimum of 5 agents and scale up as you grow.

Consistent Performance: Agents typically close +3 to +5 sales per day, with top performers achieving even more.

Lead Qualification Requirements:

Business customers must upload their recurrent invoices for bill review.

A valid owner or decision maker's email address is mandatory.

All required details must be captured for approval.

What is required of you?

Contact business customers, introduce our bill reduction service, and invite them to upload their monthly invoices for a complimentary review.

Collect a valid email from the business owner or decision maker.

Provide all required information for lead approval.

Set expectations: There's no cost to the customer—our service is entirely free! If we can't save them money, we don't get paid. If we can, savings can reach up to 20% on select invoices, for life.

Establish primary contact and let customers know they'll receive an email with more information and an online calendar to book a walkthrough with our team.

Ready to Get Started?

If you're an experienced B2B lead generation company looking to grow with a dedicated partner, we want to hear from you! To move forward or request more details, reply by email only. Once you express your interest, we'll send you the agreement immediately—so you can get started without delay.
