About Us

A 2008 established company, the success we, G. A. S. Engineers, have attained in the last 10 years is due our efforts and passion. From the beginning our focus has been on providing world-class quality equipment in the market and are proud to inform that we have been successfully doing that. The immense praise that we receive as a Manufacturer, Exporter and Importer from all our customers is due to this only and we are committed to adhere by this even in future.

Material Handling Equipment, Vibratory Equipment, Magnet Equipment, Separators are some of the goods offered by us. All our industrial equipment are fabricated as per the current engineering standards and so from its structure, performance, operational cost to service life each feature is unmatched. The research and development operation help to stay abreast with the new technological trends and if required they are adopted to improvise our products.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	High Power Magnetic Rods,magnetic filter,Suspended Permanent Magnet,magnetic pulley,ferrite magnets,rare earth magnet,Vibratory Equipment,magnetic equipment,
No of Staff	10
Year of Establishment	2008
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	As per requirment
ProductRange	High Power Magnetic Rods,magnetic filter,Suspended Permanent Magnet,magnetic pulley,ferrite magnets,rare earth magnet,Vibratory Equipment,magnetic equipment,

Our Products

Vibratory Motor

Vibratory Feeder

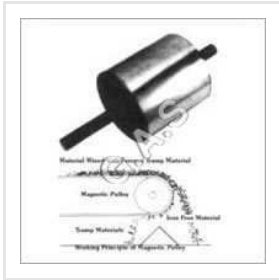

Overband Self Cleaning Suspended

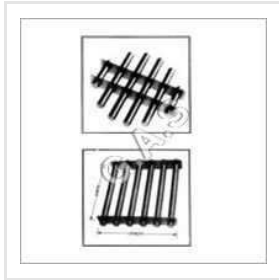

Magnetic Sweeper

Magnetic Roll Separators

Magnetic Pulleys

Magnetic Filters

Magnetic Drawer Housing

Liquid Line Separators

Permanent Lifting Magnets

Hump Magnetic Separators

Electro Mechanical Feeder

Double Drum Magnetic Separator

Bullet Magnet

Vibratory Finishing Equipment

Rare Earth Magnet
