About Us

We, Gaba School Uniform, are specialized in offering premium quality uniforms at cost effective prices. Our commitment to offer best quality products to our clients has positioned us as one of the noted manufacturers, suppliers and wholesalers in the industry. With the most experienced team in the industry and expertise, we offer a wide gamut of products such as Pants, Shirts, Half Pants, Skirts, Lab Coat, etc.

We have incorporated an on-going improvement process in our designing and development unit to create products finished to the highest specification and giving clients value for money. It continually provides newer innovation in fabrics, styles, and colors while keeping in mind the clients specific needs and requirements. Well equipped with special and advance machines, our unit enables us to design, develop, and market the highest quality material for our clients.
