About Us

Garv Dairy Farm is a trusted trader and supplier dedicated to providing healthy and high-quality dairy animals to customers across various regions. With a strong commitment to reliability and customer satisfaction, we focus on offering livestock that meets the diverse requirements of dairy farmers, breeders, and agricultural businesses. Our goal is to support the growth of the dairy sector by delivering animals known for their productivity, adaptability, and overall well-being.

Our product portfolio includes Sahiwal Cattle Cow, Indian Hf Cow, Tharparker Cow, Black and White HF Cow and Murrah Buffalo. These animals are widely appreciated for their productive performance and suitability for different dairy farming requirements. By offering a diverse range of livestock, we ensure that customers can find options that align with their specific operational needs and farming objectives.
