About Us

Established in the year 2000, we, Shivam Tar Products, are one of the leading manufacturers, exporters and suppliers of a wide range of Bitumen Waterproofing Products. Our products are used as waterproofing solutions of Roofs, Basement, Concrete, etc. In our product range, customers can avail Bitumen, Bitumen Emulsion, Bitumen Membrane, Shivam Bitumen, Shivam Plast, Shivam Bond, Shivam Primer (OB), Shivam Primer (WB), Shivam Flash, Shivam Weather Strip, etc. at highly competitive prices. All our products meet the international quality parameters and thus they are highly demanded in the market.

Empowered with advanced manufacturing technologies, we have been able to provide optimum quality products to clients. Our professionals possess years of experience in the domain and strive hard to achieve the specific requirements of the clients. We have a strong R&D unit, which helps us to adopt advanced production processes and improve the already existing products.

Rakesh Jindal, our mentor, has enabled us to widely flourish in the market. He has worked hard for the organization and also motivated us to meet the diverse requirement and needs of the clients.
