About Us

Rotomax Electric Home Appliances was established in 1995 by Mr. Subhash Chander Verma with a vision to manufacture high-quality electrical and HVAC products that deliver reliable performance, durability, and value to customers. Since its inception, the company has grown into a trusted manufacturer and supplier of a wide range of products, including Table Fan, Ventilation Fan, Water Pump, Dairy Madhani, and other HVAC and home appliance solutions. Our commitment to quality, innovation, and customer satisfaction has enabled us to build a strong reputation in the industry.

Driven by the founders mission to promote Indian-made products and support the nations manufacturing sector, we focus on producing efficient, dependable, and cost-effective appliances using quality raw materials and advanced manufacturing techniques. Every product undergoes stringent quality checks to ensure superior performance, safety, and long service life. At Rotomax, customer satisfaction remains our highest priority. We continuously invest in technology, product development, and process improvement to meet the evolving needs of modern households and commercial users. As the world continues to evolve, we remain committed to embracing innovation, maintaining the highest standards of excellence, and creating long-term value for our customers. Our vision is to become a preferred brand in the electrical and HVAC industry by delivering quality products, dependable service, and lasting customer relationships.
