Pearlescent pigments

SUDARSHAN

BRILLIANT

STUNNING

Sudarshan is a global supplier of high-end pigments with a diverse range of products ranging from organic, inorganic & effect pigments to pigment dispersions & solvent dyes.

Our Sumica range is the best suited for general purpose paints & coatings, printing inks & plastics applications. It is also suitable for special applications such as arts, crafts & seed coatings.

Our proprietary technology enables us to produce effect pigments with low heavy metal content & maintain batch to batch color consistency.

Our access to the best raw material enables us to produce products with superior lustre, color purity & smooth texture.
