## About Us

Doing the great job and setting inspiration for the firms of the industry, we, Sterling Arch, are a well known name of the market. Our sole proprietorship firm from its foundation in the year 2009 has been delivering the commendable range of H- Beams, Greenhouse, Mist Chambers, etc. As an ISO 9001:2008 certified manufacturer, supplier and exporter, serving superior quality range to customers remains our priority. Employing the modern techniques and using the quality certified material, our product-line is made perfectly. The Industrial Open Shelters, Prefabricated Building, we offer find their use for enhancing the safety as well looks of various homes, offices, shops, hotels, etc.

With support of our intelligent workers and sound facilities, we have made our place among the top service providers of the domain. The firm is rendering impressive solutions for Industrial Open Shelters, Prefabricated Building, Polycarbonate structure, Portable Site Office, MS Prefabricated Building etc. Our company is growing tremendously in the challenging industry, following the path suggested by the mentor, Mr. Surendra Bansal. His intelligence, business knowledge, managerial skills and special customers delighting policies have helped us in making our own mark in the domain.
