About Us

Plastic products have a number of applications in our day to day life, so, we, Jay Plastic established in 2009 to cater to the growing needs of such products. At present, we are one of the leading Manufacturers, Exporters, Traders, and Suppliers of various plastic products. We have a range of products which include Faucet (Cocks), Ball Valve, Foot Valve, Sanitary Ware Products, Hardware Fitting, Plastic Pipe Fittings, Plastic Garden Pipes, and many more. These products are sturdy, durable and accurate in dimension. They find application in both household as well as industrial requirements.

Since its establishment in 2009, Jay Plastics has extensively developed to become a prominent name in the plastic products' industry. Today, we are one of the dominant Manufacturers, Exporters, Traders, and Suppliers of a vast range of products. We primarily deal in Sink Waste Coupling, Opel Flushing Cistern, UPVC Tank Connector With Pipe, Door Latches, Door Handles, SS Door Latches, Door Stoppers, SS Door Stoppers, SS Door Handles, PVC Anglo Indian Toilet Seat Cover, PVC Floor Trap & PVC Folding Jali and many more. All these products are manufactured under the surveillance of a team of professionals. The finished goods are then thoroughly examined by the quality control specialists. Further, we also ensure that all our consignments are delivered to our clients on time.
