About Us

Since 1985, we, Chandimata Cement Works, have been the prime choice of a nationwide customer base for a wide range of RCPC Gully Manhole Cover Gratings, SFRC Gully Manhole Cover Gratings, Manhole Cover Gratings, and other products. We are a perfection-focused organization. Our primary goal is to deliver our customers a worthwhile experience. From developing our product range using the best-grade raw materials to promising our customers timely completion of their orders utilizing our robust resources, we do it all in our capacity to keep up the appreciation coming from our patrons. Today, we have come to be known as one of the most trustworthy manufacturers and suppliers of the aforementioned products on the market.

Customers trust us for our ethical business approaches. We make sure that all our business dealings and operations are carried out fairly and transparently. We make it a point to present all the information regarding the project to the customer beforehand. Furthermore, their privacy is equally respected. There is no doubt that we are one of the top choices for customers.
