About Us

Dealing in a diverse product range is always beneficial for a trading business as it provides an opportunity to reach a wider audience. However, managing a large vendor base can be a tedious job, yet Unique Sales has been operating exceptionally well as a trader and supplier of a diverse product range by adhering to its systematic work approach. Ghar Ghanti Atta Chakki, Stainless Steel Water Cooler, White Phenyl, Dough Kneeder, Hand Wash, Water Tap Cleaner and Atlantis Water Dispenser are to name a few. With our focus customer contentment, we keep expanding our product range, thereby offering everything required by our customers under one roof. Besides, we follow customer-focused approaches to attain complete customer contentment.

Unique Sales is renowned for its diversification in products. Availing different categories of goods from under one roof is easy now as we constantly expand our product range. Our ability to maintain good business relations with our vendors makes this certain. The product portfolio we bring forth includes Hand Wash, Stainless Steel Water Cooler, Atlantis Water Dispenser, White Phenyl, etc. All these and more products are traded under the brand names, Unique Sales, Atlantis, Natraj, etc.
