DRAFT COOLING TOWERS

About Us

Cooling Towers are heat removal devices used for removing the waste heat from the atmosphere. It can be used to remove heat from a machinery or heated process material. We, Classik Cooling Towers, are an ISO 9001:2000 certified organization provide world class Cooling Tower Solutions. Incorporated in the year 2001, we have been established ourselves as a renowned Manufacturer, Exporter and Supplier of Industrial Cooling Towers, Water Chillers & Oil Coolers, Heat Exchangers, Water Treatment Plants, etc. Apart from the products, we are also a service provider of Maintenance Services for Industrial Cooling Towers, Water Chillers, Heat Exchangers, Water Treatment Plants, etc. By incorporating value analysis & value engineering, we offer highly advanced technology based cooling towers at very competitive prices.

Supported by a well-equipped manufacturing unit along with an in-house design unit, we have been able to offer the above mentioned products that are at par with international quality standard. The unit has also enabled us to develop some other products like Dry Cooling Towers, Wooden Cooling Towers, Cross Flow Cooling Towers, Round Shaped Cooling Towers, Square Shaped Cooling Towers, Natural Draft Cooling Towers, Fanless Filler Towers, etc. Our team of research and development engineers, production engineers, field engineers and service engineers, etc. tries its best to ensure flawless output. Moreover, we interact regularly with all major original equipment manufacturers and consultants in order to develop and design our range of products. At present, we export our products to Gulf Countries, Sri Lanka, Guam, Myanmar and Taiwan.

Key Facts

No of Staff	25
Year of Establishment	2000
OEM Service Provided	No
Memberships	ISO, CTI

Our Products

Cross-Flow Cooling Towers

Dry Cooling Towers

Natural Cooling Towers

Abu Dhabi Bottle Shaped Cooling Towers

Square Shaped Cooling Tower

Ajman Shopping Mall Cooling Tower

Al Ain Industrial Dry Cooling Tower

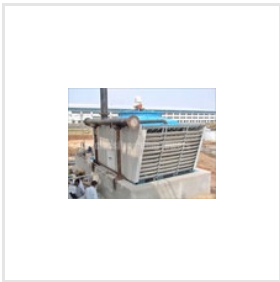

Industrial Dry Cooling Towers

Wooden Towers

Round Shaped Towers

Wooden Cooling Towers

Modular Cooling Towers

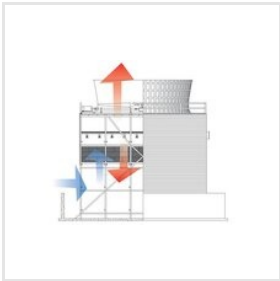

Closed Circuit Cooling Towers

Round Shaped FRP Cooling Towers

Adiabatic Dry Cooling Towers

Counterflow Cooling Towers

CLASSIK COOLING TOWERS

ISO 9001 : 2000 Certified
