

## PAPER TESTING INSTRUMENTS

Exporter, Manufacturer, Service Provider,  
Designer and Supplier

Bomb Calorimeter Digital Type, Bomb Calorimeter- Automatic Type, Box Compression Tester, Box Compression Tester for Carton Box, Brightness Opacity and Colour Tester (Technebrite Type), Brightness and Opacity Gloss Tester, Bursting Strength Tester, Bursting Strength Tester Analog, Bursting Strength Tester Digital, etc.

**PAPER LAB HYDRAPULPER**

**FULLY AUTOMATIC SHEET FORMER PAPER WET WEB STRENGTH TESTER**

## About Us

With rich experience of more than a decade, we are a well known Designer, Manufacturer, Graduate Sales & Service Engineer and Supplier of Physical Testing Equipments and Laboratory Testing Instruments used for testing properties of pulp, paper, board, corrugation, Flexible Packaging, computer stationary, printing, conversion and allied products. We are a known brand in the field of research & development and quality testing procedures both in domestic & international market. We are also Importer and Exporter of various Paper Mill Machinery from Europe, USA, UK, China & others.

Our sound infrastructure unit includes all the required operation to carry out processes from concept to commissioning including intensive Calibration facilities with standard calibrated Instruments/ Equipments as per national and international testing guidelines. We are backed by a skilful and experienced workforce, who help us meeting all the demands of our clients.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	paper moisture meter,paper moisture meter,digital bursting strength tester,paper gsm tester,stiffness tester,box compression tester,bursting strength tester
<b>No of Staff</b>	20
<b>Year of Establishment</b>	1993
<b>OEM Service Provided</b>	No
<b>ProductRange</b>	paper moisture meter,paper moisture meter,digital bursting strength tester,paper gsm tester,stiffness tester,box compression tester,bursting strength tester

## Our Products

**Pulp Disintegrator**

**Paper Canadian Type  
Beating And Freeness**

**Paper Freeness Tester  
(Pneumatic SR Model)**

**Paper Laboratory  
Sheet Press (Hydraulic)**

**Paper Consistency  
Determination**

**Rapid Sheet Dryer**

**Laboratory Sheet Press  
(Pneumatic Type)**

**Fiber Classifier- Bauer  
Mc NETT**

**Paper Semi Automatic  
Sheet Former**

**Micro Fibre Projector  
For Paper Mill**

**Research Digester**

**Sheet Drying Cabinet**

**Paper Lab Beater (PFI  
Mill)**

**Flotation Cell/Deinking  
Cell**

**Paper Lab Valley  
Beater**

**Paper Freeness Tester**
