About Us

Makynt Solutions (I) Private Limited is a professionally managed Trader, Supplier and Service Provider based in Noida, Uttar Pradesh, India. Established with a commitment to delivering dependable technology and office automation solutions, we serve businesses, institutions, commercial establishments, educational organizations and other customers with a diverse range of printing, photocopying, digital display and presentation equipment. Our focus is on providing practical, efficient and value-driven technology solutions that help organizations improve productivity, communication and day-to-day operations. We understand that every business has different requirements, which is why we aim to offer suitable products and responsive service support rather than simply supplying equipment.

Makynt Solutions (I) Private Limited is a prime Trader, Supplier and Service Provider based in Noida, Uttar Pradesh, India. We specialize in providing reliable printing, office automation, document management and digital presentation solutions for businesses, institutions and professional users. Our product portfolio includes Multifunctional Printers/ Photocopiers, Large Format Printers, Duplicators, Interactive Flat Panel Displays, Smart Class Room Solutions, Indoor & Outdoor Video Walls, Digital Standees, Paper Shredders and complete end to end IT Solutions from reputed and well known Brands. We are specialized in Laser color Printers for professional printing solutions and rental services also available for corporate, educational, Institutional and government customers. We focus on offering quality products that support efficient printing, professional presentations, interactive communication and everyday office requirements.
