

Multi Station Bolt Former Machine

Building Strong Partnerships
Through Quality and Reliability

100HP Nut Making Machine, 220V Bolt Former Machine, 3 Hp Nut Former Machine, 5 Hp Nut Former Machines, 7.5 Hp Multi Station Nut Former Machines, Automatic Bolt Making Machines, Automatic Bolt Making Plant, Automatic Nut Tapping Double Spindle Machine, Bolt Former Machine, Cold Bolt Former Machines, Cold Forging Bolt Former Machine, Fully Automatic Trimming Machine, MS Cold Forge Heading Machine, MS Nut Making Plant, MS Tapping Machines, etc.

**7.5 HP MULTI STATION NUT
FORMER MACHINES**

MS NUT MAKING PLANT

**PNEUMATIC FOUR SPINDLE
NUT TAPPING MACHINE**

About Us

Daljit Engineering Works is a prominent manufacturer and supplier of high-performance machinery that are used in the fastener industries. With years of experience, we offer an extensive portfolio of products that comprises MS Nut Making Plants, Bolt Former Machines, Nut Tapping Plants, Cold Heading Machines, and much more. The production of nuts, bolts, and many more kinds of fasteners becomes more efficient with precision from our engineered modern machinery. We take great pride in the ability to offer innovative solutions in response to the critical demands of the fast pace industry.

We, Daljit Engineering Works, are preferred in the market for buying reliable MS Nut Making Plant, Bolt Former Machine, MS Tapping Machines, Cold Heading Machine, Hex Bolt, Automatic Trimming Machine, Nut Tapping Plant, Bolt Making Machines, etc.

Key Facts

No of Staff	70
Year of Establishment	1992
OEM Service Provided	No

Our Products

**Nut Tapping Single
Spindle Machine**

Bolt Former Machine

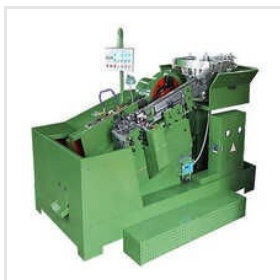

**Multi Station Bolt
Former Machine**

**Automatic Bolt
Making Plant**

**MS Tapping
Machines**

**Automatic Bolt
Making Machines**

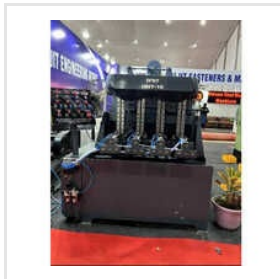

**100HP Nut Making
Machine**

**MS Cold Forge
Heading Machine**

Torx Bolts

**Pneumatic Flange
Nut Tapping Machine**

**Nut Tapping Double
Spindle Machines**

**Automatic Nut
Tapping Double**

**220V Bolt Former
Machine**

**5 Hp Nut Former
Machines**

**Cold Bolt Former
Machines**

**3 Hp Nut Former
Machine**

ADDRESS

**Opp Railway Container Yard,
Sahni Bilga Road, Sahnewal,
G.t Road, Ludhiana, Punjab,
India (141120).**
