## About Us

Our company, Rajpurohit Dairy, deals in quality products such as Krishnam Desi Ghee, Suraj Desi Ghee, Skimmed Milk Dairy Whitener, Paneer Cubes, Dairy Milk, and more under the brand names of Krishnam and Suraj. We have been in this industry for quite a while now, and today we are known among the leading manufacturers and suppliers of the above-listed products. We are an ISO-certified company that has received many certifications and is FSSAI-registered. Supplying quality and healthy products to our customers is our main objective, and our ghee is AGMARK certified. We have invested a lot in our technology and machinery, which helps us ensure that the products we manufacture are of good quality.

We are also known as the service providers of label printing services and more. Our services are exceptional, and we make sure that all the projects that come our way are completed effectively within the stipulated time frame.
