About Us

IKON Sports is a professional sports infrastructure and turnkey construction company based in Jaipur, Rajasthan, India. Established with a vision to transform sports spaces into world-class facilities, we specialize in designing, constructing, and developing high-quality sports courts, artificial turfs, gym facilities, and complete sports club infrastructure across India.

With over 10 years of industry experience, IKON Sports combines technical expertise, quality materials, skilled workmanship, and professional project management to deliver sports facilities that meet modern standards of performance, durability, safety, and aesthetics. From individual sports courts to complete multi-sport complexes, we provide customized solutions tailored to the unique requirements of every project. Our goal is simple: to make professional sports infrastructure accessible, reliable, and sustainable for schools, colleges, sports academies, clubs, residential communities, commercial developers, government institutions, and private investors.
