## About Us

Established in 2010 and headquartered in Greater Noida, Uttar Pradesh, Explore Technologies has emerged as a trusted name in the field of electrical and automation solutions. As a leading trader, supplier, exporter, and distributor, we specialize in offering a wide range of high quality products to cater to diverse industrial and commercial needs.

Explore Technologies supplies sophisticated and diverse range of reliable automation products like Servo Drives, HMI, PLC, Sensors, Timers, AC Drives, VFD, Geared Motors, Relays, Pneumatic Cylinder, Contactor, Switches, MCB, Control Panels and many more related products. The company is associated with leading brands like Omron, L&T, CG, Oriental Motors, CKD, Unison, Meanwell, Socomec & UL, etc.

## Key Facts

<b>Nature of Business</b>	Exporter
<b>Primary Competitive Advantages</b>	,CHANGEOVER SWITCH,ISOLATORS,ECCB,RCCB,SERVO ,HMI,PLC,DIGITAL SOFT STARTERS,ac drives
<b>No of Staff</b>	25
<b>Year of Establishment</b>	2010
<b>OEM Service Provided</b>	No
<b>Memberships</b>	BNI
<b>ProductRange</b>	,CHANGEOVER SWITCH,ISOLATORS,ECCB,RCCB,SERVO ,HMI,PLC,DIGITAL SOFT STARTERS,ac drives
