## About Us

CAPTEL INDUSTRIES LLP is a company, which has in a very short time carved a distinguished position with its commitment to quality and service. Captel offers a series of plastic closures and caps in assorted models as well as sizes for tin can canisters, steel drums, liquid tin can, plastic drums and barrels. Our products have become a standard worldwide and are available in metal construction and plastic make. CAPTEL INDUSTRIES LLP is developing and marketing durable and top-notch Drum Closures, Drum Seals, Plastic Caps, Plastic Closures, Plastic Tin Can Closures, and other products. These are geared to fulfill the client's needs through research processes. We also conduct interaction with clients along with various continuous quality control applications. Our major emphasize is on the initial stage of products development so that we are able to lay down a strong foundation which results only in best quality plastic tin can closures, drum cap seals, and other products.

We are a company backed by promoters with 22 years of dedicated Packaging Industry knowledge with International experience based from previous base in Australia, Singapore, Dubai and Mumbai. After setting up a dedicated base from Mumbai in 2009, we have grown rapidly in the last few years and proudly established a distinguished position for ourselves in our market not only because of commitment to quality and impeccable service but also because of better understanding of our International client requirements needs and matching that with quality, competitively prices products delivered promptly and swiftly consistently.
