About Us

HR Industries is committed to providing reliable ladder and aluminium product solutions that satisfy a variety of commercial, industrial and everyday working needs. We are a manufacturer and supplier of quality materials, robust construction and functionality to ensure that products ensure safe and convenient operations. From FRP ladder to tower ladder, from trolley step ladder to aluminium movable ladder, from aluminium telescopic extension ladder to aluminium janaza and aluminium table, the product range aims to meet a wide range of needs with durable and high-performance products. Our products are designed with customer satisfaction in mind, featuring lightweight designs, strong stability, and improved safety features. A careful selection of materials and construction ensures product strength, while at the same time enabling ease of mobility, ease of handling, and extended product life. The company also emphasizes functionality and provides products that are simple to use, require little maintenance, and make the most of available space. HR Industries ensures that it delivers a quality service to our customers by understanding their needs and providing services based on their needs while sustaining long-term business relationships based on reliability and professionalism.

HR Industries was founded in 2025 at Mumbai, Maharashtra, India, with a vision to provide high-quality ladder and aluminium product solutions for an assured time. The company is a manufacture and supplier who services various customer needs with a variety of products ranging from FRP ladder, tower ladder, trolley step ladder, aluminium movable ladder, aluminium telescopic extension ladder, aluminium janaza to aluminium table. The company's focus on its product line is on delivering long-lasting durability, quality materials, lightweight designs, and dependable performance. We demonstrate our commitment to usability and longevity through attention to corrosion resistance, stable support structures, and improved safety features. We also focus on making our products easy to transport, easy to handle, space-efficient, and low maintenance to facilitate practical applications. HR Industries strives to build long-lasting connections with clients by prioritizing customer expectations, competitive offerings, and reliable service. The company strives to develop functional, durable, and reliable solutions that are appropriate for diverse working environments.
