# COMPANY PROFILE

---

We at **Madhav Industries** India, have always believed in the virtues of this sample dictum, whether it is about designing our product, or creating bonding with our customers, we believe in exceeding the expectations of our customers.

Established In 2007, we are based in Rajkot, one of the most rapidly growing Industrial arenas of Western India. Within a short span of time, with dedicated efforts and streamlined expertise, we have earned a name as Leading Manufacturer of Hardware Architectural Product. We cater to both Domestic and International markets. Consistent superior quality is what makes us stand out in the market.

We give immense importance to the selection of raw materials and ensure highest level of Quality Control. With a highly skilled and dedicated work force on our side, we have set up a state of the art manufacturing facility, to augment the expertise and convert the design into excellent product.

A Go-Getter Sales Force with sound technical expertise, help us create a stronger bond with the customers, giving an edge to the brand and the company.
