### Wedding Pandals & Decoration

The wedding pandal set up stands strong in the Sun and weather out. It needs refurbishing every time a new event has to take place. A touch up with Spray Paints freshens up for the new function.

### Flowers and Bouquets

## Cattle Marking

Sheep live and move in herds. A quick, colourful, long lasting splash of spray give them their new identity. Can the same be done for Cows, Buffaloes and Horses?

## Identity Marking

When the products look alike and they have to be processed, identifying the ownership is Key. A quick spray of the chosen colour saves time. Used for Wood logs and Marble blocks.

## Spray Paint

### Photo Frames & Windows

Personalize the borders and frames in colours of choice. For small orders and special colours.

### Small Industrial Parts and Equipment

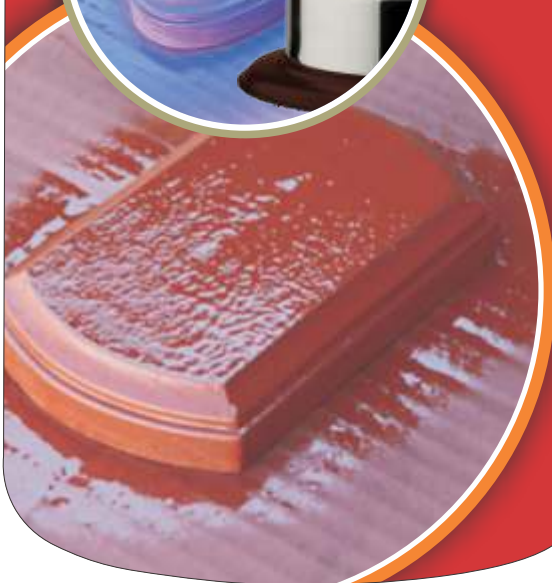

Castors, nuts, bolts fasteners and small parts, etc. can be painted with hand Spray Paint Can. Works best for installed machines and equipment in factories

## Trophies

Small and Single Quantities ask for quick and handy paint jobs. What better than a Can of Spray Paint in the colour of choice. Customization made easy.
