About Us

Two decades after its founding in 2001, Zigma Equipment & Equipment Solutions has established itself as a leading global provider of food processing machines. Our company was founded in 1986, and since then, we have expanded our clientele to all 50 states and beyond and sold our boilers to countries like Russia, South America, Guyana, Africa, China, Ethiopia, Bangladesh, and Australia.

We produce a wide variety of machinery, including Packaging Machines, Liquid Filling Machines, Ribbon Blenders, Pulverizers, Roaster Machines, Juice Processing Machines, Vegetable Processing Plant, Food Dehydrators, Industrial Shredders, and so on. Every item in our catalogue undergoes extensive quality control testing and is constructed from the industry's best materials before being sent to the customer.
