## **Sub: Company Profile**

Dear Sir,

We wish to introduce ourselves as a leading **Electrical Contractor** operating all over India and having Electrical license, a complete Project Engineering Department managed by a team of highly qualified Electrical engineers having wide experience in design, planning & execution of electrical projects for sub-stations, Industrial projects Electrification of Township, Multi storied Commercial and Residential buildings, Hospitals & Hotels etc.

Since inception, we have carried out various Electrical Projects, involving all types of internal & external Electrical works including Supply, Erection, Testing & Commissioning of HT & LT Switchgears, Cables, Bus Ducting, Electrical Panels, Lighting, Earthing, Fire Alarm systems, Telephone, PA System etc.

We have a 'Maintenance Division', which carries out maintenance work for the projects completed by us for clients who so desire and also for clients where we have not carried out the original work. We can carry out all type of Electrical maintenance including, M.C.C. & P.C.C., Motors, Fire Alarm Systems, P.A. Systems, Voice Systems, Lan & Data Networking Systems, Maintenance of Internal & External Electrical works.

The company has since then developed a full fledged team of professional and engineers under the leadership.

We have a team of dedicated Engineers, Foremen and skilled technicians on our permanent rolls. We are also enclosing for your kind perusal our Company profile giving all relevant details about the organization and its personnel.

# E-Tech Power Engineers

We have earned the appreciation of all our customers for executing quality works within the scheduled time frame, and to the entire satisfaction of our Clients / consultants / Architects.

We are confident of supplying genuine Electrical Products, in time, since we have a personal rapport with manufacturers in our field. We also have our own fabrication shop – Protection & Control, Noida – capable of manufacturing L.T. Panels, Distribution Boards, Junction boxes, raceways and cable trays etc. as per customer specifications.

E-TECH POWER ENGINEERS success grows out of organized effort, planning and development using advanced technology to meet the needs of exclusive market segments. This corporate policy has been our hallmark and we have strived to achieve this goal.

We request you to kindly register our name in your list of Electrical Contractors. Any enquiry from you shall receive our immediate attention. We shall be able to quote our most competitive price. In case any further details/clarifications are required, please do refer to us, so that we can meet and satisfy all your queries.

Yours faithfully,

For E-TECH POWER ENGINEERS,

**ANNEXURE-‘C’****LIST OF TOOLS AND PLANTS**

1	Hydraulic Crimping Machine (Up to 600 Sq. mm)	1 No.
2	Mechanical Crimping Tools (Up to 400 Sq. mm)	3 Nos.
3	Welding Set	3 Nos.
4	Gas Welding Set	1 No.
5	Drill Machine	4 Nos.
6	Hammering Machine	3 Nos.
7	Crimping Machine (Small Size)	3 Nos.
8	Air blower	2 Nos.
9	Box Spanners	2 Sets
10	Chain puller	1 Nos.
11	Grinder and wall cutter	2 Nos.
12	Conduit bending Machine	2 Nos.
13	MS/GI Raceway cutting Machine	2 Nos.

**LIST OF TESTING EQUIPMENT**

1	H.T. Meger 2500/5000V	1 No.
2	Insulation Tester 1000V	1 No.
3	Insulation Tester 5000V	1 No.
4	Earth Resistance Tester	1 No.
5	Multi Meter	2 Nos.
6	Tong Tester	2 Nos.
7	AVO Meter	1 No.
8	Lux Meter	1 No.

## **ANNEXURE-‘D’**

### **Scope of Activities**

- 1 Collection of data & drawing.
- 2 Making of shop drawing.
- 3 Approval of shop drawing to client/consultant.
- 4 Making bar – chart.
- 5 Procurement of material.
- 6 Procurement of tools plants & manpower.
- 7 Installation testing & commissioning.
- 8 Making joint measurement sheet with each running/- final bill.
- 9 Handover:-
  - a) Test report.
  - b) As Built drawing.
  - c) Project report.
  - d) Warranty / guaranty certificate.
  - e) Maintenance schedule.
