SUB: - Introductory Letters

Dear Sir,

We take this opportunity to introduce our self as a Electrical Panels and Chemical Earthing Manufacturer as like as Main LT Panel, HT Panel, Motor Control Centre, PLC Panel, DG Synchronizing Panel, AMF Panel, Relay Control Panel, Automatic Power Factor Control Panel, Bus Duct, Rising mains, special purpose Panels and Electrical Project Contractor. We supply Automatic Voltage Stabilizers (SERVO) and Transformers etc. We are also doing maintenance job and AMC for electrical systems.

We are in Electrical **Turnkey Projects** also i.e. Cabling, termination, substation, installation, testing and commissioning, having a team of fully trained engineers for all kind of Electrical applications for providing complete solutions and after sales service support.

Should you require any further details / information please feel free to contact us any time.

We now look forward to hear from you soon.

Thanks & Regards,

Yours faithfully,

For **E-TECH POWER ENGINEERS**

D.D. SHARMA
