About Us

Svarn Telecom Limited, a business arm of the prestigious SVARN Group, is considered to be a reliable business entity of a contrasting product line that diversifies into three domains, mainly, Communication, Transportation and Commerce. The journey of our company began as a modest manufacturer. However, today, we give tough competition to our counterparts by offering customers a qualitative range of products such as Svarn PVC Telecom Cable, Insulated Roofing Panel, PUF Sandwich Panel, Water Cooler, Svarn Clean Room Wall Panel, Disinfection Tunnel, Svarn Rack Cabinet, etc. With our passion, we have gained a strong foothold in the telecommunication industry. Svarn is a Sanskrit word meaning Gold. It was the vision of our Director, Mr. Ajay Kumar Gupta to work with purity as gold in our business line that led to the inception of our company. We kept expanding our business operations and earned a strong position of a trader and exporter. Our large customer base spread worldwide stems from our values and well-managed logistics system today.

The focus of our company, Svarn Telecom Limited has always been on incorporating technology for innovating existing products and developing newer ones. We are backed by a corporate culture that is characterized by its potential to quickly adapt as per the requirements of our clients. We are being looked upon as one of the most trusted manufacturers of Prefabricated Modular Office, Prefabricated Clean Room, Svarn Rack Cabinet and more. We well-understand our responsibility of continuously improving for achieving a competitive edge. With the support of our esteemed customers, vendors and other business partners, we have already been succeeding in the market. In order to have a larger customer base, we make sure that we never compromise on our business ethics.
