About Us

Surin International Private Limited Company is a professionally Managed Company established on 17th September 2013. The Company is promoted by experienced professionals from IIM Kolkata and Techies from recognised Engineering Institutions.

In our journey of more than a decade Surin has worked in service as well as manufacturing sector. We achieved major mile stones by completing unique & challenging products like SPV for Dehli Jal Board- RE liner, 25 Tonne Sewer Conveyor, Reefer chamber up to -30°C, EV Glycol Freezers, Drone Irrigation Chamber for Electric Vehicles, Light weight Cargo Box for EVs, Ice Cream Parlour & garbage box EVs, Portable Cinema Theatre. All the assignments came to us after passing through many companies and we delivered the final product within the stipulated time duration. Body built on truck or Van etc, are strong enough to face any extreme situation. With our well-equipped experienced team, we are continuously evolving ourselves. We have a long list of our satisfied customers, listed below.
