## About Us

Chemizo Enterprise is a globally recognized firm which was ventured in 2015 in Ahmedabad, Gujarat by a group of technically sound professionals. Since our inception, we have been serving the needs of pharmaceutical, agriculture, food and textile manufacturing industries by providing accurately composed chemicals. Our whole range of Folic Acid Powder, Benzalkonium Chloride, Water Soluble Fertilizer, Benzalkonium Chloride, Dye Intermediates, etc. is obtained from the certified manufacturers of the country. From active to inactive, organic to inorganic and sales to vitamins, our firm is trying to fulfill all the possible needs of the customers.

By constantly providing high quality products & Contract Manufacturing Services to the national and international clients, we have achieved a noted position as an exporter, trader and service provider. Both our products and solutions are demanded all over the world because of their unmatched quality, fair rates and on-time completion.
