About Us

Machines are the foundation of industrial sector. No company can successfully fulfill its customers demands until the use of modern machines. Considering the importance of machines, we, Omvir Print O Pack work as a manufacturer of UV Dryer, Heavy Duty Automatic Folder Gluer Machine and more. Apart from showcasing our manufacturing skills, we work as an exporter and importer. The products we export and import includes Polar Style Paper Cutting Machine, Full Automatic Book Sewing Machine and Wedding Album Making Machine, Semi Automatic Flute Laminating Machine, etc., respectively. There is no denying to the fact that our trading business has enabled us built a strong foothold in the international market. For supplying our products without any hassle, we have set up a large supply chain network that reaches every business

Our company is assisted by a team of dexterous and skilled professionals. Owing to them, we are carrying out our business operations without any trouble. Our team members understand the value of teamwork. Therefore, they work together to suffice the requirements of our customers for Wedding Album Making Machine and Automatic CNC Router Machine. We recruit only those candidates who are skillful are have in-depth knowledge of their respective domains. Hiring such people to our company ensures that we are making the best use of our human resources for performing our business activities
