About Us

On the basis of innovation and quality, our company, S K Enterprises, has become a top-notch manufacturer, importer, wholesaler, trader and supplier of headphones. Our collection includes Extra Bass Headphones, Wireless Headphones, DJ Mixing Headphones, Bluetooth Headphones, etc. The entire range made by us is technologically sophisticated and capable to operate in various frequency bands. We are dedicated to ensuring that our patrons get the best possible solution for their requirements. The harmonious efforts of our dexterous professionals who are working in sync with vendors have enabled us in attaining an outstanding position in the market. Further, the continuous improvement of our product range has helped us to attain market credibility and the trust of our esteemed customers. Apart from this, our shipment services are very fast and supported by a reliable team of logistic partners.

Our company is always focused to offer the best value of customers money because they are our top-most priority. We practice the best policies and offer a systematic approach to conduct our business deals. Our company has access to all the necessary resources which helps us to present the best range to our customers.
