About Us

With more than 55 years of expertise and skills, Indian Pneumatic & Hydraulic Co. Pvt. Ltd. has become a prime name in the market of scissor lifts, hydraulic power packs, hydraulic cylinders, pneumatic cylinders, etc. We are a leading manufacturer and supplier in the market. This gamut is manufactured as per the industrial guidelines and standards recommended by experts of the sector. We make sure that the production of each industrial accessory is completed with speed, without hampering the quality of the stock. This focus on punctuality as well as quality has supported our company in the competitive market.

Established in 1970 and located in the industrial heart of Maharashtra, India, Indian Pneumatic & Hydraulic Co. Pvt. Ltd. (IPH) has built a solid reputation as a leading Manufacturer, Supplier, Trader, and Exporter of advanced industrial and construction solutions. With decades of industry experience, we offer a comprehensive product line such as Scissor Lift, Hydraulic Power Packs, Hydraulic Cylinder, Pneumatic Cylinder, etc. At IPH, we attribute our success to the strength and expertise of our dedicated team. Every department be it engineering, manufacturing, marketing, or logistics is staffed by skilled professionals who bring deep knowledge and precision to their work.
