About Us

In the Indian agricultural industry, our name Growill Agrotech is popular, referred to as a revolutionary business concern that has contributed immensely to the growth of industry over the past 14 years. Our enterprise is a specialist when it comes to formulating the best Insecticides, Herbicides, Growth Promoters & Fungicides. The way that we create our formulations is unique to others. We do proper research, collect important data, information & knowledge regarding each product and incorporate all the data to create the best quality agricultural chemicals for our clients. We help thousands of farmers across India in protecting their crop along with enabling them to yield the best. Under our prestigious brand name Growill, we offer the most reliable range of Chlorpyrifos 50% EC Insecticides, Seaweed Extract, Fungus Fungicides, Glyphosate 41% SL Herbicides, etc., to clients. We focus on the quality of this collection the most, and never fail to deliver the best to clients.

Our mentor Mr. Neeraj Agrawal, constantly motivates us to focus on rendering premium customer services to clients. We follow his lead and succeed in providing maximum gratification to clients. Owing to our focus on providing best customer support to patrons, we have emerged as one of the most loved manufacturers and suppliers of the domain.
