## About Us

Leveraging on our rich industrial experience, we, Mix India, have marked a dominant position for ourselves in the domestic market. In the year 2011, we established our foundation stone and since then we have been climbing the ladder of success on a rapid pace. The reputed position that we have gained as a manufacturer, supplier, exporter, distributor and wholesaler is because of the unmatched range of Bulk Material Handling Equipments, Rolling Shutters, Sliding Doors & Gates, Barriers- Access Control, PVC Strip Curtains and more that we provide. For security purpose in banks, offices, shops, malls, hospitals, construction units, factories etc., these shutters are installed. Their rugged construction, high material strength, impact resistant, weather resistant and allied parameters are highly appreciated. All our products are customized in different sizes on customers order. We price all our products reasonably and ensure their time-bound deliveries in bulk quantity requirements, within committed time frames. This has helped us in satisfying all our patrons beyond their expectations.

Operating from the prime location of Maharashtra, India, we, Mix India, are renowned as a proficient manufacturer, exporter and supplier of Industrial Metal Sliding Door, Glass & Wooden Sliding Doors, Rolling Shutter, Terrace Roofing, etc. In the year 2011, our company came into existence and since then have been offering an unmatched assortment of products encompassing optimum quality, optimum efficiency, robust construction, reliability and durability. Our array is fabricated from high grade stainless, steel, iron, aluminum and allied components, and are confirmed to be at par with the international quality standards. Our team of experts strive hard to achieve complete client satisfaction by rendering streamlined efforts of production and on-time deliveries. We have satisfied a large clientele, on the basis of our quality products which are priced reasonably to meet the desired expectations of clients.
