## About Us

Established in 1999, Glowel Cosmetics is a benchmark for delivering quality, customized cosmetic manufacturing solutions. With a collection of specialized services such as Formulation Development and 3rd Party Manufacturing, Glowel has a proven track record of excellence in developing reliable cosmetic products. Based in the industrial centre of Ahmedabad, Glowel consists of dynamic leadership, a technically proficient team, a research and development centre and a state-of-the-art manufacturing facility to facilitate efficiency and quality. These strengths have enabled Glowel to work alongside the most prominent names in the cosmetics and pharmaceutical industry while building long-term, synergistic relationships. Over the years, we have built a capacity to deliver 50000 products every shift. We are committed to increasing it even further!

Glowel Cosmetics is the leading cosmetic products manufacturing company based in Ahmedabad, Gujarat (India). The wide assortment of cosmetic offered by us is hugely demanded in the market due to its unmatched quality. We are known as a well renowned manufacturer, exporter and supplier offering Skin Whitening Cream that gives you instant glow, smooth skin as well as nourishing touch. Our wide gamut also comprises Moisturizing Cream, Skin Whitening Cream, Age Redefiner Lotion, Face Pack, Walnut Facial Scrub, Body Lotion, Sun Screen Lotion, Herbal Face Pack, and more. As a trusted exporter, we make sure that every last item is produced with most extreme care and its consistence with the business laid standards. We are also a reputed service provider of Private Labeling Products.
