About Us

Ultra Tools was set up in **1982** as a **manufacturer** with the main objective of manufacturing quality Cutting Tools. With business expansion, we stretched our arms for manufacturing Hand Tools and Power Tool Accessories. The company has gained expertise in manufacturing a wide range of tools and accessories such as **Hand Hacksaw Blades, Tool Bits, Carbon Steel Bandsaw Blades, Hand Hacksaw Frames and SS Diamond Cutting Wheels**. Today our portfolio includes innovative to classic tools and accessories.

Our company is headquartered in Mumbai, India, having production plants at Mumbai and Palghar. Besides, we have an extensive domestic sales network as well as international sales network, where diverse customers needs across the globe is met in a timely and fair manner. We have our great network of exporting products in 45 countries and 100 deals in association for expanding our products reach. Our large variety of products is sold majorly to OEM, DIY and Distributors/ Specialized Retailers. We make direct sales to BHEL, Railways, Steel Units, Defense, etc.

Corporate Philosophy

Our corporate philosophy can be summed up as Customer satisfaction, Reliability, Innovation, quality & Services. We follow a policy of not compromising quality under any circumstance while manufacturing, Band Saw Blades, Circular Saw Blades, Cutting Tools, etc., and a commitment of continuously bringing innovative products and services into the markets. We take our commitments seriously and believe in honoring them.

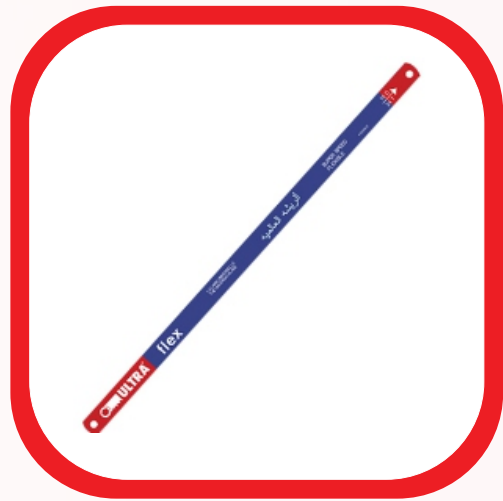

Environmental Policy

At Ultra Tools, we believe that as a producer, it is our responsibility to contribute our little share in maintaining environment, so we are using required resources efficiently. We are also minimizing waste by following the policy of Recovery, Recycle and Reuse. As a part of our environment saving initiative, we have planted six thousand trees (Approx.) around our Palghar based plant. Also, we are switching our production to more eco-friendly means, using gas furnaces is one of the best examples for the same.
