

## Digital Chiller Controller & Flow Batcher

Quality that lasts is served by us

230 V RO Controller, 230 V Digital RO Controller, 230 V Flow Indicator, 230 V Reverse Osmosis Controller, 230 V Smart Transmitter, 50 Hz Digital RO Controller, 50 Hz RO Controller, ABS Conductivity Sensor, Aster Conductivity Meter (CT-650), Aster Digital ORP Meter, Aster ORP Sensor, Aster PH Meter, Aster RO Controller (RO-Matic NG), Astero Logic Controller (1MP/3MP), Astero UF Controller (UF NG Plus), etc.

**230 V RO CONTROLLER**

**STP ETP CUSTOM BUILT CONTROL  
PANEL**

**SUBMERSIBLE PUMP CONTROL  
PANELS**

## About Us

The profitability of a manufacturing company is mostly defined by its industrial knowledge and the quality of its products. Thankfully, since the inception of our company, Aster Technologies in the year 1996, we have only provided top quality products to our customers. We have won the trust of a huge number of customers over the course of our more than two decades of experience. We have worked as a manufacturer, supplier, wholesaler and exporter of a wide range of goods. Some of the products in our extensive collection include LED Display ORP Meter, Flanged Connections Rotameter, Digital Reverse Osmosis Controller, Portable Conductivity Meter, Silt Density Index Test Meter, etc., and we make every effort to keep their prices as modest as possible.

We reach out to prospective market clients and present them with our one-of-a-kind product assortment including Portable Conductivity Meter, Silt Density Index Test Meter, Flanged Connections Rotameter, Digital Reverse Osmosis Controller, LED Display ORP Meter, etc.

## Key Facts

<b>Nature of Business</b>	Manufacturer
<b>Primary Competitive Advantages</b>	rotameter,acrylic rotameters,dispensers,magnetic level switches,float level switch,control panels,ro controller,turbidity meter,UF Pa,flow meter
<b>No of Staff</b>	33
<b>Year of Establishment</b>	1996
<b>OEM Service Provided</b>	No
<b>ProductRange</b>	rotameter,acrylic rotameters,dispensers,magnetic level switches,float level switch,control panels,ro controller,turbidity meter,UF Pa,flow meter

## Our Products

**Trichlover Connections Rotameter**

**50 Hz Digital RO Controller**

**Panel Mounted Rotameter**

**230 V Reverse Osmosis Controller**

**Conductivity Meter**

**50 Hz RO Controller**

**Waste Water RO Controller**

**Digital STP Controller**

**Flanged Connections Rotameter**

**Digital RO Controller**

**SMS Alerts RO Controller**

**Field Mount Rotameter**

**Astero Logic Controller (1MP/3MP)**

**Digital Reverse Osmosis Controller**

**230 V Digital RO Controller**

**Aster RO Controller (RO-Matic NG)**
