About Us

With an aim of providing high quality, low cost bio energy products and others, we, Akshay Enterprises are one of the most reputed names in our field. We have established in this year, 2011 and since our inception, we have been successfully continuing to maintain our position as a highly reliable importer, exporter and supplier in the industry. We are engaged in importing our range like All Types Of Bio Magnetic Bracelets, All Type Of Scalar Pendants, Nano Card, Alkaline Stick, Nano Fabric, Nano Wand Anti Radiation Mobile Chips, Mobile Pouch, Heart Guard, Radiation Safe Paint, Window Film, etc. These products are sourced only from trustworthy and reliable manufacturing companies. The reliable vendor base make sure that they manufacture these products, which are widely acclaimed amongst our customers because of their reliability and advanced features.

Meeting customer satisfaction is the ultimate goal of our business entity and hence, we try to make it sure by appropriate selection of vendor base, provision of easy payment mode option and many more facilities. We invest utmost efforts towards our organization and this is the reason why we have gained leading market base and have achieved tremendous success in the industry.
