About Us

Mangilal Vijayvargiya and Sons is a name that customers all over the nation have been trusting since 1950. Our company is well-established as a reliable trader and supplier in the market and offers a broad and cost-effective range of construction and other related materials. Our rich industry knowledge and years of expertise in our respective domains enable us to offer products that are longer serving. Our range of JK Sixer Cement, Interlocking Blocks, Square Fly Ash Bricks, Concrete Kerb Stones, and more products is a favorite choice of our customers. Our bricks and stones are sturdy and solid, whereas the cement we offer is manufactured using the correct chemical constituents, which makes them highly efficient and a preferred choice for customers.

Therefore, all the aforementioned products are procured from reputed and noteworthy brands in the industry. Our team of professionals selects them on the basis of multiple factors, and the ones that prove to be the best are chosen by them to deal with. Sagar, Shree Jung Rodhak, Birla, Ambuja, and Mycem are the names that help us meet the ever-increasing demands of our customers.
