# About Us

Since 1958, Swastik Agencies are regarded as one of the major Manufacturers, Wholesalers, Retailers, Importers, Exporters and Traders of all types of electrical wires cables, moulded plug cords, neon electrodes, neon raw material, led modules, led & neon timers, flashers and dimmers etc. In addition to this, we are also engaged in the importing of neon electrodes, neon transformers, neon tubes, neon raw material, neon gases, neon plant material, LED modules, LED strip lights, LED power supplies etc. We use high quality PVC, brass pins, thimbles, solders, etc. that ensures the high durability and performance of the products. Since inception, we have been catering to Neon sign manufacturers (led signage manufacturer, neon signs and glow signs manufacturers), also meet the demands of electrical appliance mfrs, house wiring, electronic world, electrical contractors and builders, advertising industries, led displays, interiors, hotels, malls, signage, sign boards and various other industries. We maintain cordial relationship to the clients to understand their needs and provide them with better services to the customer. Infusion of new technology and quality management, we have been offering optimum solutions that provide performance for a longer period of time. We are committed to timely product development, affordable pricing policy, timely delivery and effective engineering support.

## Infrastructure and Quality

Leveraging on a sound infrastructural base, we have been offering optimum solution to the clients within the stipulated time frame. Our sound production unit aids us in the execution of the projects with utmost efficacy. We have integrated advanced machines in the infrastructural base that help us in the designing of novel range that meets the needs of varied industries. Our infrastructural base is divided into varied sections like planning, designing, manufacturing, quality testing, warehouse, packaging and so on. Every section is managed by experts who contribute their best in the development of matchless products. Our team works with a motto of offering only quality product line to the clients within their budget.

Quality has always been our prime concern. Hence, we take necessary measures to maintain the highest quality standards. In order to maintain the quality norms in our entire business, we have appointed a team of talented quality control experts.
