## About Us

We, Pitroda Machinery have an impactful market presence as a manufacturer, supplier and exporter of an unmatched array of Telescopic Belt Conveyor, Bag Handling Conveyor, Bag Stacker, Box Stacker Conveyor, Brick Stacker Conveyor, etc. Also, the manufacturing techniques that we implement are highly efficient and ultramodern in minimizing the cost of the offered products.

Further, our Conveyor Systems are highly demanded in the entire marketplace owing to their longer functioning life, reliable performance, extreme temperature & pressure resistance, faultless operation. All our activities from raw material sourcing to final delivery are thoroughly supervised and controlled to meet the set quality standard.
