About Us

Moksha Engineering Works is a celebrated manufacturer, supplier, and exporter in the market. Our whopping annual turnover and large clientele are enough to speak volumes for our success and robust market reputation. For a very long time, i.e., since 2008, we have been profusely working hard to bring forth a commendable range of Label Slitting Machines, Narrow Web Flexo Printing Machines, Stacked Type Flexo Label Printing Machines, Die Cutting Machines, and other products. Each product that we offer is meticulously manufactured using the quality materials available on the market and is thus highly durable, modernly designed, fluent in performance, and anti-corrosive.

We take pride in being able to fulfill the requirements of our customers in no time and in exchange for never-seen-before prices. We guarantee that there is no better organization than ours, which is equally committed to customer satisfaction and environmental protection at the same time. We endeavor to carry out all our business practices in a sustainable manner, preserving natural resources and promoting good climate health.

Key Facts

Nature of Business	Manufacturer
Primary Competitive Advantages	flexographic printing machine,high speed die cutting machine,label slitting machine,rotary label printing machine,label printing machine
No of Staff	40
Year of Establishment	2008
No of Production Lines	1
OEM Service Provided	Yes
Monthly Production Capacity	30 machines
ProductRange	flexographic printing machine,high speed die cutting machine,label slitting machine,rotary label printing machine,label printing machine

Our Products

High Speed Narrow Web Flexo Printing Machine

Stacked Type Flexo Label Printing Machine

Narrow Web Flexo Printing Machine

Flat Bed Die Cutting Machine

High Speed Die Cutting Machine

Industrial Label Slitting Machine

Barcode Label Slitting Machine

Rotary Die Cutting Machine

Intermittent Rotary Die Cutting Machine

High Speed Label Stamping And Die
