About Us

Our company, Grandeza has successfully developed to back a significant place in the industry since its inception in the year 1960, and this is due to our pure hard work and dedication. For so many years, we have been a well-known supplier of a wide range of All cleaning equipment available at far lower prices than those offered by other companies in the market. We not only supply premium quality goods to retain customers for future business prospects, but we also maintain absolute openness and courtesy in all of our business dealings with them.

A customer considers a number of factors before dealing with a manufacturing company, but the quality of the products they offer is the most important of them all. Fortunately, customers involved with our company, Grandeza Bath have always been delighted with the high-quality goods we supply to them. In all of our business activities, we have maintained the highest quality standards to ensure that only the best goods, such as HD 5 by 11 High Pressure Washer, HD 6 by 15 M High Pressure Washer, HD 5 by 12 High Pressure Washer, and so on, are manufactured. Furthermore, all products are precisely processed in our facility, which is located in the business-friendly city of Mumbai, Maharashtra, India.
