DETAILED INFORMATION:

1. Raw material Required per day : 144kgs , 1batch = 7kgs of oil (Min), Estimated 56litres of oil can be made per day , if we work 8 hours per day,
2. Estimated grams per month = 56litres per day (x) 26 working days = 1456 litres of oil per month.
3. So, Total Profit Per day = 225/hour profit X 8 hours = Rs.1800.
4. Building rent will not be applicable to all, because it occupies less space, it can be installed inside homes.
5. Labour charges is not needed, because 1 person is required to operate, for operating machine, entire training will be provided.
