About Us

We, Refrigeration Centre Pvt. Ltd. are continuing our legacy of 35 years of serving the Indian markets with finest electrical products. By operating as a trader and wholesaler, we are bringing the most efficient, affordable and state-of-the-art range of electrical items that have industrial, residential and many more uses. We are working with numerous customers in retail, wholesale and distribution markets. The range which we are supplying to them contains Axial Flow Fans, White WH Air Purifiers, Emerson Hermetic Compressors, AC Capacitors, Acoustic Insulator Foams, HVAC Fan Blades, Freeze Stands and more products.

From the most reliable vendors in the industry, we are procuring these items. The brands that we offer include SRF, Axial, Emerson & CAMIPRO. Our vendors are extremely professional and punctual with their work management which further enables us to stay consistent & well-scheduled with our clients. With their support, we are able to meet even the bulk quantity or immediate demands of our customers without any delays or compromise in the process.
