About Us

We are driven by modern technology as well as inspired by challenges. To offer the best range to our valued clients, we, Allmach Pharma Machinery Private Limited have emerged as a profound manufacturer. Our wide array of machines are used for Pharmaceuticals, Nutraceutical, Ayurveda, Bulk Drugs, API, Cosmetics, Chemicals and Foods. Our range includes Fluid Bed Dryer, Rapid Mixer Granulator, Octagonal Blender, Tray Dryer, Rotary Tablet Press Machine, etc. These are highly preferred for exceptional quality which ensures long service life and smooth functioning of our range.

When we initiated our business, certain policies were made regarding production of a quality range, worth ethics, and customer satisfaction. Our employees have always kept those in mind while working. Day by day we have grown and spread our business. In markets our sales increased soon after our inception, as people observed such exceptional quality machines and equipment are not available anywhere at affordable prices. We have already acquired the topmost position in the industry for ourselves, and we are working hard to grow more and attract more customers.

We, Allmach Pharma Machinery Private Limited are considered among great manufacturers as we offer the best range of Tablet Pressing Machine, Pharmaceutical Machinery, Tube Filling Machine, Fluid Bed Dryer, Mass Mixer, Octagonal Blender etc. Our company is located in Ahmedabad, Gujarat (India) and is built over a large area. We have installed modern machines at our manufacturing unit which ensure the production of a flawless range. In addition to this, we hired diligent employees who are divided into different teams and ensure the optimum functioning of their department. They are so passionate about their jobs and major contributors in success we have achieved till now.
